---

Good morning Mayor and Council,

Late yesterday afternoon, the Port and the BCMEA obtained an injunction ordering protestors to restore access to Port operations on the south shore of Burrard Inlet. The injunction was served on the protestors yesterday but approximately 200 people refused to move from the three roadways leading into the Port. Individuals are not precluded from remaining on the sidewalks.

Earlier this morning, VPD began arresting individuals for contempt of the court order. The situation is calm. As of 6:30, VPD had made approximately 20 arrests.

Best,  
Paul
