Subject: City wins award for work on short term rentals

Good Morning Mayor and Council

I am pleased to share that we have been advised that the City of Vancouver Short Term Rentals team has been named a winner of the 2020 IPAC/Deloitte Public Service Leadership & Excellence Awards! These awards acknowledge Excellence, Impact and Collaboration by federal, provincial, municipal or Indigenous governments that have taken bold steps to improve public service, support government priorities and improve Canada through advancements in public administration and management.

The award will be presented on March 9 in Toronto as part of their 2-day annual Leadership conference. We will learn at the award ceremony if we have won the Gold, Silver or Bronze award. In the meantime, the organizers have confirmed that we are able to share the news internally that we are winners.

This award acknowledges the team's exceptional work over the last year, by taking a policy concept and translating it into a program with measurable outcomes. I am very proud of team's commitment, creativity and perseverance with this program.
