Subject: Upcoming IB - City Preparing for Freezing Temperatures

Dear Mayor and Council,

With the chance of freezing temperatures into the weekend and wet snow mixing with rain, the City is preparing to respond. Staff and salting/plow trucks are readied for deployment with a focus on keeping arterial routes, walking and cycling routes and hills free of ice. This information bulletin will be issued today outlining the City's preparations and includes important reminders for the public, including the availability of Powell Street Getaway.

Best,
Sadhu
