Subject: Thanks for your support

Good Evening Mayor and Council

I am writing to say thanks for all of your support. We've been working around the clock and I have noticed that you all have minimized your emails and inquiries to us during this time and many of you have sent emails of appreciation, which I send along to the team. So, thanks from all of us for your support! It hasn't been easy and it's not going to be a quick turn-around, but we have the benefit of been through many challenges as a team and are able to learn from how other places are dealing with this issue. So, together, we'll make it through this and we'll help our residents, businesses and non-profit organizations get through it too.

Best
Sadhu
