Good Morning Mayor and Council

Here are the notes from this morning's press conference:

No big announcements, key points covered today are below:

- Borders to close tonight at midnight, with only essential travel allowed
- Rescue flights being sent out to bring home Canadians stuck abroad, with first one going to Morocco tomorrow
- Canada & US announcing they will be returning illegal migrants trying to cross the border beginning tonight
- Launching Canada's plan to mobilize industry to fight COVID-19. This will help companies to re-purpose their manufacturing facilities so we can produce what we need like masks, hand sanitizers, etc. Fed Gov will help shift production to support the products we need for COVID-19 i.e. auto manufacturers to medical manufacturing.
