Good Evening Mayor and Council

I don't have much more to convey after our very thorough briefing this afternoon, but I did want to let you know that our call this evening with VCH and BCH CEOs was very productive. BCH is lining up hundreds of hotel rooms and non-profit providers are being selected to operate them. Protocols are being established to determine who goes where.

We are looking into further details regarding the reports of increases in property crime with vpd. Once I have this information, I'll send you and update.

Thanks and have a good evening.

Best

Sadhu
