Subject: FW: [EXTERNAL] BC Gov News - New clinical guidance to reduce risk for people during dual health emergencies

Good Evening

Well, we have a glimmer of hope coming out of this whole COVID epidemic. The Province has issued their guidelines on safe supply. Information below.

Government of B.C.

News on Demand

New clinical guidance to reduce risk for people during dual health emergencies

To help reduce the risks to people who use substances, the Province has announced new clinical guidance, effective immediately, for health-care providers to stem the spread of COVID-19 and respond to the ongoing overdose emergency
