Subject: Nightly Applause for health care and front line workers

Dear Mayor and Council:

To honour the tireless and invaluable COVID-19 work of our healthcare professionals and front-line workers –and all of the residents who each night show their appreciation with kitchen-pan serenades at 7 p.m. invites nightly recognition.

As of 7 pm on Friday March 27th, our colleagues at BC Place will light up with a 5 minute blue animation, Vancouver City Hall, Burrard Bridge and the Bloedel Conservatory will also be illuminated in blue lights.

Blue is the colour other venues around the world have been using to represent healthcare.

We invite everyone to join in making noise and keep the appreciation going.
