Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of February 21, 2020 for:

Any and all records pertaining to the designation of the northbound curb lane of 1100 block Burrard Street to 900 block Burrard Street as a bus/bike/HOV lane (i.e., date of designation as bus/bike/HOV lane, date of traffic control signal installation/maintenance).

Date range: August 1, 2013 to August 31, 2017

We have completed the search for responsive records for this request and no responsive records have been located. The installation of the bus lane was completed in 2013; therefore, the city has no records pertaining to the designation within the date range specified in your request.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2020-140); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,
