Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of April 22, 2020 for:

Records regarding Mayor Kennedy Stewart's meeting with John Furlong on February 27, 2020, as follows: agenda, minutes, briefing note, presentation material, handwritten notes, transcript, and recording of the meeting. Please also include correspondence between the Office of the Mayor and John Furlong, his agents and representatives, about the scheduling and topics of the meeting, and any correspondence summarizing the meeting.

Date range: February 12, 2020 to March 12, 2020.

All responsive records are attached. Some information in the records has been severed, (blacked out), under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00.

Please note that the records suggest a telephone meeting was to be scheduled for March 16, 2020. The telephone meeting did not take place due to the developing urgency of COVID-19.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2020-236); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Hello Mr. Furlong,

I am following up on your recent communications with Mayor Stewart about arranging for a meeting in the next little while. I know you offered some time on Friday but would you have any availability tomorrow around 1:00pm?

Hi Neil. I will send you a list when it's complete for sure. The 16th works fine for me in the morning. Hopefully that works for you too. Thanks. John

every group that might have a stake or has history with the event has been invited. Trying not to make it unwieldy so we can make progress. I would be great if his Worship could address the group for a couple of minutes and provide encouragement and push for a spirit of collaboration. Whistler and Richmond will be there. As mentioned when we met the goal is to make sure everyone has a grasp of the facts and the process so we can avoid any misunderstandings. Out of that meeting I think progress can be swift. If it's useful I could drop by and update you both the day before (16th) so you are up to the minute on where we are. I have the morning of the 16th open. Thanks again for your support and encouragement. See you soon.
