Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of May 8, 2020 for:

Architectural floor plans from 1982-1983 for the historical "Denman Place Hotel" located at 1733 Comox Street, Vancouver. (This was the "secondary address" of 1010 Denman Street. Both of these addresses no longer exist and have been converted to the contemporary civic address 1763 Comox Street.) The associated Parcel Identifier is 002-982-455.

The Denman Place Hotel was also known by the name "Inn at Denman Place" or the "Denman Place Inn". This request is for architectural floor plans or related documents for the entire building that show the layout of the hotel rooms in 1982-1983.

Date range: January 1, 1982 to December 31, 1983*

***NOTE: The architectural records reflecting the layout from 1982-1983 may have been made before 1982 (or after 1983)**

The records requested are publicly available on a fee for service basis through the Property Research section of the By-law and Compliance Administration branch, Development, Building & Licensing Department. To access these records please contact Property Research at property.research@vancouver.ca.

As per section 3(1)(j) of *FIPPA*, records available on a fee for service basis are "out of scope" of the Act. An FOI request is not required in order to obtain the records from the Property Research section.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipbc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2020-260); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, ATIP, for
