Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of May 13, 2020 for:

All by-law 2849 Section 17.5 (c)(ii) (stop within 6 meters of the intersecting sidewalk) tickets assessed to vehicles on the North West corner at the intersection of 13th Avenue and Birch Street in Vancouver. Date range: May 13, 2000 to May 13, 2020.

All responsive records are attached.

Please note: the parking ticket database contains records from 2010 to date, records prior to 2010 cannot be provided.

In addition there was a change to the Street and Traffic By-law that affects the City's response to your request. Section 17.5(c)(ii) of the Street and Traffic By-law was formerly section 17.5(b); this renumbering took place on January 1, 2020. As a result, both sections have been included in the responsive records, as the newly numbered section 17.5(b) is a more severe violation. For convenience, section 17.5(b) reads: "within 2 metres of the approach side of the nearest edge of the closest sidewalk on an intersecting street".

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2020-267); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,

[Signature on file]
