Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of July 8, 2020 for:

Definitions of all view cones and view corridors, in three dimensions, including but not limited to elevation information and digital GIS or other geo-referenced models.

We have completed the search for responsive records for this request and no responsive records have been located.

Please note, Engineering Services (Special Projects) were contacted and confirm a record does not exist and would have to be created. It is a possibility that creating a record would unreasonably interfere with the operations of the public body.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2020-376); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, for
