RE: 3628 SE MARINE DRIVE (3608-3666 SE MARINE DRIVE & ALSO 3602-3688 CITY EDGE PLACE)

On June 4, 2020, our inspection services reported that the following alterations are being carried out at the above-cited location, without permit and in contravention of Zoning and Development By-law No. 3575 and Building By-law No. 12511, including, but not limited to:

- The membrane over the parking garage is being replaced;
- Deck work is being carried out on multiple units.

Accordingly, a STOP WORK NOTICE (copy enclosed) has been posted at the site on June 18, 2020.

Pursuant to Section 7.1 of the Zoning and Development By-law, and Article 1.5.4.2 of Division C of the Building By-law, you are ordered to stop work at this site immediately.

Therefore, you must either obtain the required permits for the above-noted work or obtain the required permits to remove all work carried out without permit, and restore the building to its last approved condition within 30 days of the date of this order.

## PLEASE NOTE, THE SITE MUST BE LEFT IN A SAFE CONDITION.

The Development and Building Services Centre has temporarily suspended some operations as our number one priority has to be to protect your health and to protect our community in stopping the spread of the COVID-19 virus. Therefore, please do not attend the Services Centre in person at this time.

City of Vancouver 453 West 12th Avenue Vancouver, British Columbia, Canada V5Y 1V4 vancouver.ca app: VanConnect For information on applying for a permit and the required documents, visit the City's website at <u>http://vancouver.ca/home-property-development/apply-for-and-manage-your-permit.aspx</u>. You may also contact the Development and Building Services Centre by emailing us at <u>permitquestions@vancouver.ca</u>. If you do not have access to email, please call 3-1-1 and advise the agent that you have received an enforcement letter and would like your inquiry forwarded to the Development and Building Services Centre.

Electrical, plumbing and gas installations will require trades permits which will only be issued to licensed contractors. Your licensed contractor will be able to apply for these permits online

A minimum of \$500 or double the building permit fee (up to a maximum of \$20,000) can be charged when work is done without permit. The legal authority for this action is set out in Building Bylaw No. 12511, Division C, Article 1.6.1.2.

### 1.6.1.2. Construction without a Permit

1) If construction for which a permit is required has been commenced before a permit has been issued, the owner shall

- a) make application for any necessary permits in accordance with Subsection 1.6.2. of this By-law, and
- b) pay to the City, a minimum of \$500 or double the fee set out in the Fee Schedule to a maximum of \$20,000, whichever is the lesser amount.

Please be advised that failure to comply with this order will result in the matter being referred to the City Prosecutor with a request to approve charges against you under the applicable Bylaw(s). If charges are subsequently laid you will be required to attend Provincial Court and will face liability upon conviction to a fine of not less than \$500 for each day that the offence continues.

The imposition of fines by the Court will not absolve you from the requirement to comply with the By-law(s).

If you are selling your property you should disclose the contents of this order to the prospective purchaser and their representatives.

For questions or concerns please contact Brad Marsh at 604-673-8231 or via email at brad marsh@vancouver.ca.

Hey Shawn,

Wondering if you can help me out with this one, it is in Brad Marsh zone and he already has a Stop Work for the permit they are hoping to apply for. See attachments, it for what looks like some localized balcony and membrane repairs... they have an engineer on board now.... So just wondering if we could consider this a Field Review instead of sending to BRB as they are not doing the cladding.....

Let me know either way is fine ③
