Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of November 30, 2020 under the *Freedom of Information and Protection of Privacy Act* for:

**Record of document(s) relied upon by the Park Board to project that CPI would be 2% for 2021, regarding setting rates and fees for the Burrard Civic Marina moorage, as per a Park Board meeting of November 30, 2020. The decision or conclusion that CPI would be 2% for 2021 was made between March 9 and November 24, 2020, likely in October of November 2020.
Date range: January 1, 2020 to November 24, 2020.**

We have completed the search for responsive records for this request and no responsive records have been located.

Please note, the Supervisor of Commercial Operations confirms the CPI rate was referenced from a publicly available source when consulting with Park Board's Corporate Services. This link is an example of what may have been referenced (as this type of information is publicly available in several online locations): <https://www150.statcan.gc.ca/n1/daily-quotidien/201216/dq201216a-eng.htm?indid=3665-1&indgeo=0>

Additionally, there are no records of the conversation between the Supervisor of Commercial Operations and the Corporate Services Budget Analyst as it was via telephone.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2020-637); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,
