Good morning Mayor and Council,

I am writing to let you know that the City and VPD are receiving requests from EMBC and Abbotsford for support to the flooding response in the Fraser Valley. Abbotsford Fire is also dealing with a major fire at present. VEMA has activated our EOC for purposes of coordinating our management of those requests. We are also in direct contact with colleagues at the City of Abbotsford.

Canada Task Force 1 deployed to Abbotsford late yesterday evening but was demobilized in the early morning hours as water levels stabilized.

We will keep you posted on this situation.

Best,
Paul
