Subject: [Provincial State of Emergency - fuel supply conditions](#)

---

Good afternoon Mayor and Council,

The Province has just announced a restriction on non-essential fuel purchases in the Lower Mainland, Sea to Sky and Vancouver Island regions. Purchases will be limited to 30L.

This order does not apply essential vehicles and does not impact our commercial fuel supply contracts. We have been anticipating the possibility of shortages given supply and transport disruptions caused by the recent weather event. Our operations teams are in close contact with suppliers and we have sufficient supplies at our yards and firehalls to continue regular operations.

We will be issuing a communication to staff shortly regarding this development as there may be impacts for individuals who typically commute in private vehicles.

Please let me know if you have any questions or concerns.

Best,  
Paul
