Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of March 24, 2021 for:

Record of the data collected for the Vancouver Homeless Count for each year from 2010 to 2020.

The compiled, de-personalized information is publicly available on the City of Vancouver's website here: <https://vancouver.ca/people-programs/homeless-count.aspx>.

An FOI request is not required to access the publicly available, compiled de-personalized data, nor is it required to access the raw data.

Access to the raw data requires a research agreement with the Homelessness Services Department, you can contact them directly to discuss completing a research agreement.

Yours truly,
