Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of April 19, 2021 under the *Freedom of Information and Protection of Privacy Act* for:

- 1) **A document showing speed limits on West 4th Avenue approaching Burrard Street (westbound) between 2017 and 2020 (inclusive); *Only one document is required if the speed limit never changed during this period.**
- 2) **Any spot speed surveys in the same area as above (West 4th Avenue approaching Burrard Street) between 2017 and 2020 (inclusive); and**
- 3) **Documents showing the average speed and speed compliance between 2017 and 2020 in the same area.**

We have completed the search for responsive records for this request and no responsive records have been located.

For part one of your request, the Traffic and Data Management Department confirms there are no records on speed limits on West 4th Avenue approaching Burrard Street because the speed limit has always been 50 km/hr which is set by the Province under the Motor Vehicle Act.

For parts two and three of your request, the Traffic and Data Management Department confirms there are no spot speed surveys conducted and therefore no average speed/speed compliance data that is gathered into a record.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2021-213); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,
