Hi, Justin,

We are opposing this Cannabis Store immediately next to a **major Cultural Centre** and in front of a **busy bus stop** where many teenagers commute.

This is not a proper location for a large (3120SF) Cannabis distribution point to this culturally rich street where many children travel.

Thx/Rgds,

Perfect location on a busy corridor away from residential homes. s.22(1) is down the road on fraser street. This will be the closest store. Q1. Your comments:

April 15 2021, Regarding: 726 Kingsway (DP-2021-00233) Hello Justin, On my walk home I noticed the posted city sign for a Cannabis application for the above address. I think this would be a great location for a potential store as its on a busy corridor tucked away from residential homes. There was an illegal store across the street from this location that I frequented, however they have been closed for a few years after a police incident I believe. We really don't have a store in this area thus I have to walk all the way to a store on Kingsway and Knight. I support this application if the applicant will be operating it with all the applicable licenses. s.22(1) Vancouver Home owner

726 Kingsway – Cannabis Store As a long time resident of s.22(1) Vancouver BC - I support the application by Local Cannabis for a new store at 726 Kingsway. This is a great area for a Cannabis Retail store as it is in a commercial area and not too close to other stores or schools. I've seen that area develop a lot over the last few years with new restaurants, bars and apartment buildings- the store would be a great addition and compliment to the surrounding business'. From speaking with the Management of the company, I trust them to operate it in the proper way. I support this application. Thank you, s.22(1)

I have been operating a business for over s.22(1) We have always prided ourselves on doing business the "right" way and in accordance with everything required of us in regards to local bylaws and in keeping with our own standards of being a good neighbour. s.22(1)

s.22(1) I was quite impressed with Rick as he seems to be a smart diversified businessman. What caught my attention and led me to write this Letter of Support was that learning he was already provincially licensed and never operated in the Cannabis business until the Canadian Government federally passed it. I really appreciate his morals and ethics as there was a store s.22(1) that was selling marijuana illegally for several years and constantly in trouble with the police. I was disappointed to learn that the City of Vancouver would allow businesses like that to operate illegally and also maintain a development permit. The Store layout and design vision presented to me looks very upscale and should generate more foot traffic on the south side of Kingsway. I support this application and feel they would be a welcome addition to the neighbourhood. Regards, s.22(1)

I recently saw an application sign at 726 Kingsway for a cannabis application and fully support it. I strongly believe that this area on Kingsway is a great location and a lot of folks can access it. The other stores in this area are usually busy and sometimes difficult to find parking. I live at s.22(1) and I would benefit from have access to Cannabis nearby. Again, I support this application at 726 Kingsway (dp 2021-00233) s.22(1)

Hello, I wanted to take this time to support the application for a Cannabis store at 726 Kingsway, vancouver. I recently moved into s.22(1) vancouver and I strongly believe this is a good location for a cannabis store. Close to my favourite restaurants. Accessible and far from residential neighbourhoods. Thank you for the opportunity to support this location.

Totally happy to see this business open in the neighbourhood. I don't actually do cannabis but I like to have a drink with friends and a dispensary to me is no different than a liquor store. It will be good to have in an up and coming neighbourhood too. I've spoken with the Local Cannabis team, and they seem like a good bunch who are going to have a positive influence in the community. I support this application.

Q1. Your comments:

There are already many cannabis stores along Kingsway between Fraser and Knight street. I don't think there needs to be another cannabis store. There is also going to be one on Fraser and 18th, which is less than two blocks away, according to posted development notice. We don't need another cannabis store and I would appreciate not having to smell second hand smoke as a result.
