

File No.: 04-1000-20-2021-277

July 6, 2021

s.22(1)

Dear 5.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of May 27, 2021 for:

Record of environmental assessment for 5205 Ross Street and post-grow operation records.

All responsive records are attached\*. Some information in the records has been severed, (blacked out), under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws\_new/document/ID/freeside/96165\_00

\*Note, Environmental Services confirmed there were no environmental assessment records. However, there is a Certificate confirming there are no buried fuel storage tanks on the property. If you would like this record please note the following:

As of January 1, 2020, any requests for Heating Oil Storage Tank Records are being handled on a fee for service basis.

- By-law No. 5664, Appendix A, Schedule 1, Part 4 (a) and (b) Research Requests; <a href="https://bylaws.vancouver.ca/5664c.PDF">https://bylaws.vancouver.ca/5664c.PDF</a> (\$281 for research requests requiring up to a maximum of 2 hours of staff time; \$141 for each additional hour or part thereof beyond the two hours referred to in clause (a) above).
- Under s.3(1) of FIPPA, the Act does not apply to a record that is available for purchase by the public.

Please confirm if you would like to proceed and our office will send you an invoice under a separate file number.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2021-277); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signature on file]

#### Barbara J. Van Fraassen, BA Director, Access to Information & Privacy

<u>Barbara.vanfraassen@vancouver.ca</u> 453 W. 12th Avenue Vancouver BC V5Y 1V4

\*If you have any questions, please email us at <a href="mailto:foi@vancouver.ca">foi@vancouver.ca</a> and we will respond to you as soon as possible. Or you can call the FOI Case Manager at 604.871.6584.

Encl.

Mr. E. Neufeld Manager, Building Inspections Branch at 604.873.7560

January 14, 2008

s.22(1)

5205 Ross Street Vancouver, BC V5W 3K8

Dear Sir/Madam:

RE: 5205 Ross Street - Special Inspection No. IA407840

The results of our co-ordinated inspection of your building at the above location to determine the by law requirements for re-occupancy are as follows:

#### Building By law:

- See attached Certificate of Inspection (Building) #CI 8573 for deficiencies and required work.
- Note also that the inspection revealed that a dwelling unit has been constructed in the basement without permit or approval. For details on applying for the required permit, contact the Secondary Suite Program at 604.873.7955.
- Also the carport has been enclosed and a sundeck has been constructed over the carport roof without permits or approval. For details on applying for the required permits, contact the Enquiry Centre at 604.873.7611.

#### Plumbing\Gas By law:

#### Plumbing

 See attached Certificate of Inspection (Plumbing/Gas) #CI 2733 for deficiencies and required work.

Note that a licensed plumbing contractor must obtain a permit to correct the plumbing

Q:\Correspondence\Grow Ops\2008Archives\01 - January\2nd Grow-up Letter\5205ross.doc

#### Gas

 See attached Certificate of Inspection (Plumbing/Gas) #CI 2733 for deficiencies and required work.

Note that a licensed gas contractor must obtain a permit to correct the gas deficiencies and the re connection of gas. A Gas Installation Test Certificate is required from the Gas Fitter.

#### Electrical By law:

 See attached Certificate of Electrical Inspection #CI 0609910 for deficiencies and required work.

Note that a licensed electrical contractor must obtain a permit to correct the electrical deficiencies and the smoke alarms. Re connection of electrical services will not be approved by this department until confirmation has been received that all by law violations in the building have been corrected.

#### Untidy By law:

 See attached Certificate of Inspection (Property Use) #CI 2030 for deficiencies and required work.

#### Standards of Maintenance By law:

 See attached Certificate of Inspection (Property Use) #CI 2030 for deficiencies and required work.

#### Zoning and Development By law: Per Certificate of Inspection #CI 2030:

- The inspection revealed that a dwelling unit has been constructed in the basement without permit or approval. For details on applying for the required permit, contact the Secondary Suite Program at 604.873.7955.
- 2. Also the carport has been enclosed and a sundeck has been constructed over the carport roof without permits or approval. For details on applying for the required permits, contact the Enquiry Centre at 604.873.7611.

#### License By law:

A 2008 Vancouver Business License must be obtained prior to the rental of this approved one family dwelling.

- 3 -

#### Other requirements:

You must contact the Property Use Inspector for re inspection after the Untidy, Standards of Maintenance and Zoning and Development By law deficiencies have been completed. The Property Use Inspector, Darren Mitchell, can be reached at 604.871.6432 between 3:30 - 4:30 P.M.

Please ensure your contractors contact the building, plumbing/gas and electrical inspectors for re inspection. Once the above violations have been corrected and all inspection approvals have been obtained, re occupancy approval will be issued.

Please note that moulds may exist as a result of the grow op activity in your building and a thorough cleaning of the building is required. Following your clean up, we recommend that you obtain the services of a qualified environmental consultant to determine the effectiveness of the clean up.

Note: You may not re occupy this building until a Re occupancy Permit has been issued.

The fee for a Re occupancy Permit is \$128.00.

In order to speed up issuance of the Re occupancy Permit please return the completed Application for Re occupancy Permit as soon as possible.

To apply for a Re occupancy Permit, you must

- complete the enclosed Application for Re occupancy Permit (the highlighted areas) and
- return the Application for Re occupancy Permit to:
   The Occupancy Clerk, Permits and Licenses Department Second Floor, East Wing, 2675 Yukon Street Vancouver, BC V5Y 3P9

The City of Vancouver will not authorize gas or electrical re connection until all deficiencies have been corrected.

Yours truly,

E. Neufeld for City Building Inspector City Electrician and Chief License Inspector

SC/gg
