Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of July 28, 2021 under the *Freedom of Information and Protection of Privacy Act* for:

Comprehensive data set breaking down heat-related calls by fire hall or dispatch area between June 25, 2021 and July 1, 2021 across the City of Vancouver including any information on the severity of the call and age.

We have completed the search for responsive records for this request and no responsive records have been located.

Please note, VFRS confirms that searching for heat-related calls would be a manual process and that the data will not be accurate as it is not compiled in the format you are requesting.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2021-402); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, for
