Could you please forward me that correspondence.

Hi Sandra / Sadhu

Please see the attached housing agreement for Davie and Bidwell.

See clause 5(a)(iii).

The agreement clearly anticipates that the discount would be for two years.

We also have correspondence with Social Housing and the City Law Department leading up to the executed agreement where the intention of the agreement in this regard was made clear

between the parties.

Given the Defamatory activities against Reliance and me personally being undertaken by these tenants and the BCGEU it is critical to us when you are reporting to Council that it is clear that we are meeting and now exceeding with the 20% option our TRP, and exceeding the City current policies by an immeasurable amount more.

Please confirm this and that you have cleared the TRP conditions for the 1188 Bidwell Occupancy Permit.

Kind regards.

Thank you for sending Jon,

We will review and get back to you.

Could I encourage you to reach out to the tenants asap to signal your intention to discuss with them further ideas for a potential resolve? I think time is of the essence on first contact from you. Thank you for considering.

I am in meetings until 5 pm that I can't step out of but will check back in then

Thanks

Hi Sandra / Sadhu

Please see the attached letter from our Solicitor (who negotiated the housing agreement with your solicitor) together with supporting emails.

With respect we believe these documents clearly support our approach to the TRP.

Given that Vancouver City Councilors have now entered the media claiming that we have not acted in the spirit of the agreement we will have to share this information with them as well.

If you have any documents that evidence some alternate spirit of the agreement please provide them to us.

Kind regards.

Hi Sandra

Thanks.

Although it is unfortunate that you did not add that we recently added the 20% option.

And that was only a guideline and not a requirement at the time of the TRP.

Kind regards.

**Confidential: 1188 Bidwell: Revised Options for Remaining Tenants**

These are offered to the three remaining tenants s.22(1) in recognition of their unique circumstances. In all cases below, the base rent is the rent and there is no rebate structure to be implemented:

- Tenants must notify Reliance by February 24, 2020 of their intended Option.
- Tenants will be offered an opportunity to view suites offered at Barclay before making a decision. Bidwell units are not available to view by any tenants, but Reliance will provide information about the units and tenants are encouraged to see the sales unit suite at 1188 Bidwell, open Tues to Sat (hours).

**Options**

1. s.22(1): Tenants stay at s.22(1) under current rents, subject to allowable increases under the RTA.
  - This option enables tenant to stay at s.22(1) at their current rent, subject to allowable increases under the RTA.
  - This option provides stability to any tenants who wish to remain at s.22(1), and removes any doubt around their current tenancy and any need for the tenants to take to the RTB for a ruling as has been suggested as a possible course of action by the tenants.
2. 1188 Bidwell: 35% discount off of unit rent, same type of unit (recognizing no
  - Units available within Bidwell vary in terms of base rent, but the three lowest rent units will be held for consideration.
3. 1847 Barclay (Other West End): Same type of unit at current s.22(1) rents, subject to

**allowable increases under the RTA.**

- This option creates an opportunity for tenants who wish to move back into the West End but if Bidwell is not feasible
- There are currently 2 units.
- If there is no available unit at Barclay at time of offer – and the tenant selects this option – Reliance will offer the same arrangement for a unit at Barclay at next unit turnover, subject to allowable RTA increases.
- Tenants may remain at s.22(1) under conditions of Option 1 until another Barclay unit comes up under this Option.
- Tenants would be able to move into one of these units at the same rent they are paying at s.22(1) at the time of the offer, subject to allowable increases under the RTA. )

**Subject:** [EXTERNAL] Davie and Bidwell - Tenants s.22(1) Only - All other Tenants settled.

Hi Sandra

Subject to written acceptance of the below and attached from the City we will be offering to the above Tenants on a confidential non disclosure basis the choices set out on the attached spreadsheets.

**We will keep the suites at 1847 Barclay and Bidwell available until Monday February 24th. on a first come first serve basis.**

We make this offer to the Tenants on the following conditions for the City of Vancouver:

(a) Staff will immediately report to Council that this offer has occurred and that staff takes the position that the spirit of the TRP and Housing Agreement has now been met. This will be the case even if the tenants do not accept the offer and the City will make no further request for the offer to change.

(b) Staff will now inform the Tenants of our pending offer and advise the Tenants that that in the opinion of staff the spirit of the TRP and Housing Agreement has now been met and that this has been reported to Council.

(c) Staff will write us a letter as a follow up to the previous letter thanking us for responding to the concerns of the Tenants and the City and that the spirit of the Housing Agreement has now been met and that this has been reported to Council.

(d) If requested by Reliance the City will issue a press statement confirming the above.

(e) The city will not request of us to make any further accommodation to any other past Tenants of 1170 Bidwell. Nor will the City assert to any party that the spirit of the TRP and Housing Agreement is not met with respect to any other previous Tenants of 1170 Bidwell.

Pease note in two of the three cases our offer is below the CMHC average for the each of the options.

In the case of s.22(1) the 1188 Bidwell option is more than

the CMHC average for a Studio as we do not have studios at 1188 Bidwell.

If the Tenants wish to go to the West end but can not afford the rent at 1188 Bidwell they can move to 1847 Barclay at the same rent they are currently paying at s.22(1) pursuant to the above deadlines.

We will also be requiring that the Tenants agree to not sublet their premises. This is permitted by the Residential Tenancy Act for a non fixed term Tenancy.

Kind regards.

Hi Jon – I thought it might be a good idea to insert some info about the rents and details you provided in my email to Council and tenants. Pls review. If you'd rather leave this out, pls let me know; I thought it might help.

Below the corrected text is the City's agreed actions.

If you could review all of this and advise that would be great.

## CORRECTED AS NOTED

### Confidential: 1188 Bidwell: Revised Options for Remaining Tenants

These are offered to the three remaining tenants **s.22(1)** in recognition of their unique circumstances. In all cases below, the base rent is the rent and there is no rebate structure to be implemented:

- Tenants must notify Reliance by February 24, 2020 of their intended Option.
- Tenants will be offered an opportunity to view suites offered at Barclay before making a decision. Bidwell units are not available to view by any tenants, but Reliance will provide information about the units and tenants are encouraged to see the sales unit suite at 1188 Bidwell, open Tues to Sat.

### Options

- 1. **s.22(1)** : Tenants stay at **s.22(1)** under current rents, subject to allowable increases under the RTA.**
  - This option enables tenant to stay at **s.22(1)** at their current rent, subject to allowable increases under the RTA.
  - This option provides stability to any tenants who wish to remain at **s.22(1)**, and removes any doubt around their current tenancy and any need for the tenants to take to the RTB for a ruling as has been suggested as a possible course of action by the tenants.
  - Rent includes heat and hot water**
- 2. 1188 Bidwell: 33% discount off of unit rent (all 1 bedroom; no studios in building)**
  - Units available within Bidwell vary in terms of base rent, but the three lowest rent

units will be held for consideration:

i. Unit s.22(base \$2230 – this offer: \$1494

ii. Unit s.22(base \$2280 – this offer: \$1528

iii. Unit s.22(base \$2330 – this offer: \$1561

Units are available on a first come basis.

Rents do not include heat and hot water

**3. 1847 Barclay (West End): Same type of unit at current s.22(1) rents, subject to allowable increases under the RTA.**

This option creates an opportunity for tenants who wish to move back into the West End but if Bidwell is not feasible

There are currently 2 units available.

If there is no available unit at Barclay at time of offer – and the tenant selects this option – Reliance will offer the same arrangement for a unit at Barclay at next unit turnover, subject to allowable RTA increases.

Tenants may remain at s.22(1) under conditions of Option 1 until another Barclay unit comes up under this Option.

Tenants would be able to move into a Barclay unit at the same rent they are paying at s.22(1) at the time of the offer, subject to allowable increases under the RTA.

Rent includes heat and hot water

## CITY AGREEMENT

Staff will update Council that this offer will occur and that staff takes the position that the offer is a reasonable resolution to the disagreement related to TRP implementation and spirit of the TRP and Housing Agreement has now been met.

This position will be the case even if the tenants do not accept the offer and the City will make no further request for the offer to change.

Staff will inform the Tenants of the pending offer and advise the Tenants that that it is the opinion of staff that the spirit of the TRP and Housing Agreement has now been met.

Staff will send a formal letter to Reliance as a follow up to the previous letter thanking Reliance for responding to the concerns of the Tenants and the City and that the spirit of the Housing Agreement has now been met. This letter will be cc:ed to Mayor and Council.

If requested by Reliance, the City will issue a public statement confirming the above.

The City acknowledges that this is a response to the unique situation of these three tenants and the City will not request of Reliance to make any further accommodation to any other past Tenants of 1170 (1188) Bidwell. Nor will the City assert to any party that the spirit of the TRP and Housing Agreement is not met with respect to any other previous Tenants of 1170 (1188) Bidwell.
