Dear s.22(1)

**RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of September 13, 2021 under the *Freedom of Information and Protection of Privacy Act* for:

**Records regarding signage on Fellowes St. path, specifically:**

1. On October 12, 2016, what signage was in place along the Fellowes St. path? For example, the attached photo "Looking west" shows a sign with a bike icon and directions to "North Vancouver."
2. Date the signage in 1 above installed;
3. On October 12, 2016, pedestrian/cycling signage in place at the intersection of the Fellowes St. path with the eastern sidewalk of the 2<sup>nd</sup> Narrows bridge? In particular:
  - a. Was the signage the same as in the "Cycling route signage" in the 2<sup>nd</sup> attached photo or different?
  - b. Was the orange "Trans Canada Trail DETOUR" sign (see "Looking north," 3<sup>rd</sup> attached photo) in place on the path just before the intersection?
4. Date the signage in 3 above installed.

We have completed the search for responsive records for this request and no responsive records have been located. The Director of Transportation has confirmed that the signage does not belong to the City of Vancouver.
