Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am writing in response to your request for:

Records regarding the City of Vancouver's "Consulting services to assess feasibility of transport pricing for Vancouver City Centre" - RFP# PS20210493, specifically:

- 1. The successful Proponent's technical and financial proposal; and**
- 2. All technical evaluation materials and records, including evaluation criteria, evaluation notes for submissions including IBI, records of all evaluators scoring/weighting of every proposal (including IBI) and the final recommendation record of the evaluation team/committee.**

Date Range: May 1, 2021 to October 15, 2021

Supply Chain Management has notified my office that you are a representative of one of the corporate entities that submitted a proposal/bid in response to these RFPs. As such you read and agreed to the submission conditions in the City of Vancouver's Request for Proposal, (RFP), one of which is the following:

8.3 All City Information Confidential

(b) The Proponent now irrevocably waives all rights it may have by statute, at law or in equity, to obtain any records produced or kept by the City in evaluating its Proposal (and any other submissions) and now agrees that under no circumstances will it make any application to the City or any court for disclosure of any records pertaining to the receipt, evaluation or selection of its Proposal (or any other submissions) including, without limitation, records relating only to the Proponent.

This clause precludes using the Freedom of Information and Protection of Privacy legislation to request records covered under clause 8.3 of the standard RFP submission.

Yours truly,
