Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of October 29, 2022 under the ***Freedom of Information and Protection of Privacy Act, (the Act)***, for:

All correspondence between the Vancouver Economic Commission (VEC) and the City of Vancouver regarding the change in VEC's role in the 312 Main Street Project (i.e. the Technology and Social Innovation Centre located at 312/324 Main Street) in 2014.

All responsive records are attached.

Please note that the Vancouver Economic Commission worked as project manager for the 312 Main Street project, but once the contract had been signed between the City of Vancouver and Vancity, VEC no longer had a role in the project; there was no record to capture this change.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2021-551); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
