Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of December 9, 2021 under the ***Freedom of Information and Protection of Privacy Act, (the Act)***, for:

**Records of the \$31,742,000.00 in the 2019 Statement of Financial Information (SOFI) and the \$34,589,000.00 in the 2020 SOFI spent on vehicles, equipment, and furniture, specifically:**

- 1. Itemized list of the vehicles, equipment, and furniture acquired;**
- 2. Fuel type of acquired vehicles (i.e. EV, Hybrid EV, or Internal Combustion Engine).**

**Date range: January 1, 2019 to December 31, 2020.**

All responsive records are attached.

Please note that the Financial Reporting department has advised that in order to provide Drive Train (EV, Hybrid, ICE) category and unit counts, a combination of the main accounting system and fleet sub-ledger records were used. The differences in these two systems between year purchased and year in-service has created credit amounts in Capital Asset Value Change for several line items in the detailed fleet listings.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2021-629); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Kevin Tuerlings, FOI Case Manager, for
