Subject: [Call2Recycle - 2021 Leader in Sustainability Award - City of Vancouver](#)

---

Dear Mayor and Council,

I would like to share some good news from our Waste Management department:

Call2Recycle® has selected City of Vancouver, BC to receive the Leader in Sustainability Award, in recognition of our impressive collection of 14793 kilograms of used batteries in 2021. The batteries we collected and shipped helped to ensure safe and responsible recycling for a total of 7.2 million kilograms of batteries in Canada during 2021.

Call2Recycle is a north American leader in battery recycling stewardship programs. Call2Recycle, Inc. is committed to protecting and preserving the environment through collecting and recycling consumer batteries. Founded in 1997, the not-for-profit organization works on behalf of stakeholders to provide its battery and cellphone recycling program, Call2Recycle®, at no-cost to consumers across Canada.

In Canada it operates as a not-for-profit organization in accordance with the Canadian Not-For Profit Corporations Act and the BC Societies Act.

Best,  
Paul

**Paul Mochrie** (he/him)  
City Manager  
City of Vancouver
