Subject: Briefing: TransLink New Vision 10 Year Investment Plan & UBCx Update

---

Good afternoon Mayor and Council,

As you may have noticed in your calendar, staff are scheduled to provide you with a briefing covering the above-referenced topics on Monday afternoon (March 28). I am writing to acknowledge that the UBCx update pertains to a report and recommendations for decision that are included on the regular Council meeting agenda for March 29.

Based on previous feedback, where topics covered in information briefings are expected to come to Council for decision, we aim to schedule the briefing at least one week in advance of the Council meeting date. Unfortunately, in this instance, the timing of spring break did not provide for that lead time. Given that circumstance, I appreciate your understanding with the compressed timeline.

Best,  
Paul
