Subject: Hastings Street Update

---

Dear Mayor and Council,

As you may have already seen on social media or in the media, there has been some altercations on Hastings Street this afternoon.

According to Deputy Chief Chow, the VPD have been involved, and I understand that two officers were assaulted. The situation is now stable.

We expect a fair amount of media coverage, and there is a lot of media representatives on scene.

We will continue to keep you updated as the situation evolves.

Thanks,

Karen
