Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of February 24, 2022 for:

Daily water consumption data of the City of Vancouver. Date range: July 1, 2021 to February 23, 2022.

The information provided below is in addition to the response we provided to you regarding your previous FOI request (2021-414).

Please note that the City of Vancouver does not have daily water consumption data.

Engineering Services has explained that the average daily water consumption can be calculated based on the total amount consumed shown on the City's monthly invoice received from Metro Vancouver, divided by the number of invoiced days (noting that approximately half of the city's water use is unmetered single family residential). With this in mind, the average daily water consumption for the requested period is as follows:

Month	2021
July	374,788.23
August	337,775.68
September	299,260.91
October	273,555.36
November	263,020.14
December	262,792.00

Please also note, 1) values are in cubic metres; and, 2) the January and February, 2022 invoices have not been issued and therefore that data cannot be calculated.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2022-097); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,

[Signed by Cobi Falconer]
