Good morning Mayor and Council,

As you may have seen, the Clerk has removed from your calendars the time that had been scheduled for the Special Meeting at 1pm today. The website has also been updated to advise the public that the meeting has been cancelled.

To confirm, the Special Meeting was called by the Mayor to consider declaration of a manifest error that would reverse the tax sale of a specific property. Subsequent to the tax sale, the City learned that the non-payment of taxes was attributable to the death of the owner several years prior.

As of this morning, the Public Guardian and Trustee for BC has provided the City with payment of the outstanding taxes owing on the subject property. That payment satisfies the owner's liability and voids the tax sale, thereby negating the need for any decision by Council.

Please let me or Patrice know if you have any questions.

Best,
Paul
