Subject: VanDusen Snow Clearing

Dear Mayor and Council,

The note below is from the GM, Engineering Services, in response to the following question from Councillor Dominato: *"Did we make any adjustments for dealing with snow removal around Van Dusen?"*

Staff response:

- Yesterday, staff received a request from VanDusen Gardens to treat West 37th Avenue from Oak Street to Granville Street, which was done once we the Priority 1 routes were sufficiently managed.
- Additionally, staff has been treating West 33rd Avenue and Oak Street, which creates some additional treated parking spaces beyond what is available in the VanDusen Parking lot.
- These services will continue as long as the Festival of Lights is happening.

All the best,

Karen
