Type of service: Other</p> <p>3. Provide details: Was approached today by a park ranger regarding my dog being off leash out of the ?designated? area while I was crossing the gravel area to the only garbage receptacle near the area (along Raymur Ave). Proceeded to tell me the boundary area. I quickly dismissed him and walked away. nnto be honest I?m pissed. Until the park?na) has CLEAR signage indicating where the boundary is for the off leash dog area (there is NONE and definitely not by the entrance I use Prior and Campbell;nb) appropriately fenced off protecting the dogs from potentially running into traffic on either Prior St or Raymur Ave; and nc) at least one garbage receptacle by the ?designated? off leash area to dispose of poop bags so I don?t have to leave the areann? I w ll REFUSE to acknowledge that the park is not completely off leash and w ll continue to dismiss officials who try to tell me otherwise. However I will continue to be respectful of either members of the public using the same space.nnTU/DR; actually create a proper off leash dog area instead of declaring a pseudo-area before trying to enforce ?by-laws?.</p> <p>5.
