Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of May 2, 2022 under the *Freedom of Information and Protection of Privacy Act* for:

Records regarding all City of Vancouver view cones, specifically:

- 1. View point elevation;**
- 2. Reference point elevation;**
- 3. Distance to the reference point from the view point; and**
- 4. Map coordinates of reference points and view points in EPSG:26901 geographical coordinates.**

Date range: January 1, 2017 to May 1, 2022.

We have completed the search for responsive records for this request and no responsive records have been located.

Please note, the Planning Department has been contacted and confirm verifiable data does not exist and would have to be created. The current Open Data site provides 2D geometric information which cannot be used to generate the 3D and height data. It is a possibility that creating a record would unreasonably interfere with the operations of the public body.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2022-236); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
