Dear s.22(1)

**Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of July 18, 2022 under the *Freedom of Information and Protection of Privacy Act* for:

**Monthly or weekly records of revenue from parking fees and parking tickets for the City of Vancouver or Park Board parking lot nearest to the barge at Sunset Beach. Date Range: May 13, 2022 to July 18, 2022.**

We have completed the search for responsive records for this request and no responsive records have been located\*.

\*Please note the following:

Parking records are generated and supplied by EasyPark, a third party, who manages and administers the lots on behalf of the Vancouver Board of Parks and Recreation (Park Board).

The information provided by EasyPark is not aggregated in the format requested.

EasyPark provides the Park Board with a monthly reconciliation of revenues and are received after the following reported month. For example, the July monthly reconciliation of revenue is received in August.

The Park Board receives monthly totals that are net of refunds, ticket cancellations or other items that impact revenues.

The City recommends submitting a new request.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2022-388); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

*[Signed by Cobi Falconer]*
