Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of September 21, 2022 under the *Freedom of Information and Protection of Privacy Act* for:

Regarding 203 Abbott Street, record of any knowledge of a lack of functioning or properly filled fire extinguishers or use for improper purposes from the date of January 1, 1993 to December 31, 1995.

We have completed the search for responsive records for this request and no responsive records have been located. Vancouver Fire & Rescue Services has informed our office that the records you are seeking pre-date the files they have access to, and that the retention schedule of the records would suggest that if there are any responsive records, they may be at the City Archives.

Under section 3(3)(j) of the Act records in the archives of a public body are not subject to the Act. You can read this section here:

https://www.bclaws.gov.bc.ca/civix/document/id/complete/statreg/96165_00_multi.

For further information on the City Archives and how to research records at their facility, please visit their website here: <https://vancouver.ca/your-government/city-of-vancouver-archives.aspx>.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2022-499); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
