Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of October 7, 2022 under the *Freedom of Information and Protection of Privacy Act* for:

**Records related to any restrictions on the right hand lane of traffic near South Granville at or near 7th Avenue in the City of Vancouver on March 16, 2018. Seeking type of lane (whether it is a parking lane, a bus lane, an HOV lane, or other).**

We have completed the search for responsive records for this request and no responsive records have been located. The Traffic & Data Management branch of Engineering has confirmed they have no record of any restrictions to the right hand lane on Granville Street (Northbound or Southbound) at 7th Avenue. They also note that they understand the curb regulations to be the same today as they were during your requested timeframe: "No Stopping" 7:00-9:30, Monday to Friday on the east side, "No Stopping" 3:00-6:00, Monday to Friday on the west side, and no bus/bike or HOV lane.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2022-529); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

*[Signed by Cobi Falconer]*
