Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of October 31, 2022 under the ***Freedom of Information and Protection of Privacy Act (the Act)*** for:

Human Resources data (total numbers) pertaining to:

- 1. Monthly, weekly, or daily numbers of employees sick with COVID-19;**
- 2. Number of vaccine mandate exemption requests; and**
- 3. Number of vaccine mandate exemption requests granted.**

Date range: July 1, 2021 to June 30, 2022.

The information responsive to points two and three of your request is publicly available; you may find it on the City of Vancouver's website here: <https://vancouver.ca/files/cov/2022-101-release.pdf>. Please note that two additional applications were received in March 2022; however, they were not reviewed or considered with the policy being suspended on March 28th.

In regards to point one of your request, please note that the City does not have the data you are seeking. Employees are not required to provide the medical diagnosis related to their absence to the City, and therefore no accurate data exists.

Yours truly,

[Signed by Cobi Falconer]
