Subject: PLEASE HOLD – Sunday, Feb. 5 Media Event with Province - CONFIDENTIAL

CONFIDENTIAL

Dear Mayor and Council,

I am writing to advise regarding a joint media event that is being planned with the provincial government and Vancouver Coastal Health (VCH) to announce a proposed City grant to Vancouver Coastal Health related to mental health services delivery. VCH has submitted this proposal in response to Council's earlier decision to make funding available for mental health services. The details of the grant and associated operational plan will be addressed in a Council report that will be included on the Regular Council agenda for February 14.

The media briefing will take place sometime between 1-3 pm on Sunday, February 5. We will confirm an exact time and location for the event via your assistant as soon as it is confirmed with the Province.

We will also provide additional information regarding the VCH proposal in advance of the media event.

Best,
Paul
