Subject: Facility/site tours

Good morning Mayor and Council,

As you know, an element of the orientation/onboarding program for Council, we had scheduled site visits to a number of City facilities. A number of those visits have occurred already and there are a few more scheduled over the coming weeks.

Given the volume of formal Council business and other demands on your time over the near term, we will be removing these scheduled site visits from your calendars. However, if there are particular facilities or operations that you are interested to see first-hand, please let me or Rosemary know and we are happy to coordinate with the relevant GMs and staff to make that work.

Many thanks,
Paul
