Subject: ACCS 2023 Q1 – Quarterly Grant Report
Attachments: ACCS 2023 Quarterly Grant Report _ Q1 2023 May 10_ 2023.pdf

Dear Mayor and Council,

Please find below an update from the General Manager of Arts, Culture and Community Services, Sandra Singh regarding the 2023 Q1 – Quarterly Grant Report.

To support the desire for accessible, regular grant reporting and to make it easier for Council to see which grants have been approved for funding to-date, the Quarterly Grant Report has been developed to show YTD approvals. As this is the first Quarterly Grant Report we have compiled, your feedback on format changes to best support your needs would be appreciated.

Attached, you will find the 2023 Q1 report. About the report:

- Operating and capital grants are separated in the report and then broken down by the following categories:
 - Cultural Services
 - Housing and Homelessness Services
 - Social Development
 - Childcare
 - Other
- Both the operating and capital sections of the report begin with a summary page, followed by detailed pages to outline information such as the grant stream, applicant, amount approved for 2023 (as well as any future years, if relevant), along with the RTS number for reference; details are also included in the report to outline approvals from prior years that would have an impact on 2023.
 - Where the number of approved grants is included as 0.5 that means that the remaining portion would be a request for future quarterly reports.
- ACCS' non-market housing creation grants (VAHEF) are not included in this report and will be reported out separately.

Should you have any questions, please contact Sandra Singh at sandra.singh@vancouver.ca and she will ensure enquiries are addressed through the weekly Q&A.

Best,
Paul
