Hi Lisa,

We are currently working toward July 26 as a target to report back on Council's direction to provide a plan to update the Building Bylaw to adopt the top step of the BC Zero Carbon Step Code, although I do not expect that this report will include specific bylaw amendments.

Please let me know if you have any additional questions.

Best,  
Paul

Hi Paul,

Are staff bringing any updates to the Vancouver Building Bylaw in the next 6 months?
