Subject: RE: Plaza cleaning grant

Hi Mike,

We can confirm that the street cleaning grant will support the cleaning within all plazas in the street right of way managed by Engineering Services, including temporary plazas installed during the pandemic. This grant will add to the cleaning within 26 plazas, plus the new plazas that will be implemented this year either permanently (Blood Alley Square) or our new pilot plazas.

I hope the above clarification is helpful.

Best,
Paul

Subject: Plaza cleaning grant

Hi Paul. I have one question regarding the cleaning grant up for approval in council today, so I thought I'd ask over email rather than pull the report in council. Is there a list of the plazas where Mission Possible's cleaning services will apply, or should we assume all the plazas created in recent years through street closures, etc?

Thank you.
