Subject: Formal Council Enquiries - September 12, 2023

Dear Mayor and Council,

The following table provides an update on the status of outstanding questions received during the Enquiries section of the September 12 Council meeting.

Best,
Paul

Paul Mochrie (he/him)
City Manager
City of Vancouver

9/12/2023	15950	Cllr Dominato	RE: Safety Concerns – Commercial Drive Embankment Council Enquiry 1 - September 12, 2023 - Councillor Dominato enquired about the recent accident at the embankment located near Commercial Drive and Grandview Highway and requested a report back on what steps can be taken by the City to address safety concerns in the area. The City Manager agreed to provide an update.	The fence at Commercial Drive is owned by Translink and all obligations for this area fall under Translink. This year, City staff have asked Translink to permanently repair the damaged fence. Future plans to upgrade the fence to ensure it does not continue to occur. City staff will continue to address issues as they arise and explore opportunities to support improvements to their response to maintain the corridor (fence and embankment). In the interim, while waiting for Translink's response, City staff have completed temporary repairs.
