Subject: 3rd alarm fire 2072 W 41st

Please be advised that our VFRS crews are on scene at 2072 W 41st St for a 3rd alarm fire. This is a residential above commercial building and has extended beyond the unit of origin to three businesses and residences above. Sandy's Farm Market is one of the businesses.

This is a total loss. COV Chief building official has been called as these building will need to come down.

One firefighter has been transported to hospital with a possible broken hand.

At this time 1:00am Oct 2, this is still an active incident.

No update on any displacement of residents yet.

Karen Fry
