Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of April 19, 2023 under the *Freedom of Information and Protection of Privacy Act* for:

Record of regulations in place by the City for infrasound, especially those produced by music in establishments (bars, clubs, live entertainment, restaurants, etc.), including:

- 1. Dates the regulations were enacted;**
 - 2. Changes to the regulations; and**
 - 3. Any statistical information from inspections for infrasound.**
- Date range: January 1, 2010 to April 18, 2023.**

We have completed the search for responsive records for this request and no responsive records have been located. The Property Use Inspections Branch has confirmed that the Noise Control By-law No. 6555 does not currently have any regulations relating to infrasound, and that their standard sound meters do not have the capabilities to measure for this type of sound.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2023-234); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
