Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of May 1, 2023 under the *Freedom of Information and Protection of Privacy Act (the Act)* for:

As-built architectural Drawings of 118-150 Robson Street, which should specify detailed exterior and interior finishes of the building.

Architectural plans and drawings are available from the Development and Building Services Centre with the owners' written permission. Please see the following link for more information on obtaining property records (which also explains in greater detail the process for obtaining or viewing plans), and to submit your request online:

<http://vancouver.ca/home-property-development/get-copies-of-your-building-plans.aspx>.

As per section s.3(5)(a) of FIPPA, records available on a fee for service basis are "out of scope" of the Act. An FOI request is not required in order to obtain the records.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2023-256); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
