Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of May 22, 2023 under the ***Freedom of Information and Protection of Privacy Act*** for:

Record of any public opinion polling conducted or commissioned by the Park Board Chair Scott Jensen, specifically regarding the Stanley Park bike lane. Date range: November 7, 2022 to May 20, 2023.

We have completed the search for responsive records for this request and no responsive records have been located. The Park Board has confirmed Park Board Chair Scott Jensen did not personally conduct any public opinion polling regarding the Stanley Park Bike Lane. Park Board staff added that the subject was an agenda topic for the February 13, 2023 Board Meeting, and as a result a correspondence summary exists, which is the closest approximation of a public opinion poll on record:
