Dear s.22(1)

**Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of October 6, 2023 under the *Freedom of Information and Protection of Privacy Act* for:

**Record of all contracts with external consultants providing advice on public infrastructure specifically related to citizens with disabilities within the care and custody of the Accessibility Strategy group. Date range: January 1, 2018 to October 5, 2023.**

We have completed the search for responsive records for this request and no responsive records have been located. In an effort to assist with your original request for records and provide records that would not be subject to a fee, our office worked with you to revise your request as it is seen above. Our office has confirmed with the Accessibility Strategy staff that there are no records responsive to your request; Accessibility Strategy staff does not have any contracts with external consultants providing advice.

Please note, in addition to confirming no records, Accessibility Strategy staff noted which departments would likely have responsive records: Facilities Planning Program Management and Transportation Design Branch. Please submit a new FOI request for the records you are seeking, noting that there may be a fee required to search, compile, and process the records.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2023-622); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

*[Signed by Cobi Falconer]*
